All the days of my life
I walk through the sunshine
When I find the day is over
I lay my head to rest
And I dream of tomorrow.

If tomorrow never comes
I shall be satisfied.
When I am called back to the Garden
I shall be happy to abide
For I know that the sun
still shines on those I left behind.

Two people together are apart
Walking down that lonely road
that leads you to tomorrow
there is nothing that hides the
emptiness
like singing a
lonely song

Inexperience, the number of young boys playing and the inability to make the big play was the story behind the 1971 Lemmon Cowboy Football Season. Although the Badlands Conference was probably as tough as it has ever been, we were disappointed in our final season's record of one win, seven losses and one tie. Next year should show some improvement in our young kids.

The annual serves as an official record of the school year. We hope it will bring back memories (good and bad) to all of you. We realize that many social gatherings cannot be pictured, but most fo these will remain with us anyway.

This was a very tough year. The teams on this year's schedule were all very strong, and we were a very young and inexperienced team at most positions. The future looks real good with a very strong crop of sophomores and freshmen.

Golf

Lemmon had a golf team this spring that could compete with any team in the state. Lead by Frank Gossman and Mike Priest, Lemmon finished second to Mobridge at Mobridge; third behind Sturgis and Spearfish at Spearfish; second again at Mobridge and wound up by winning our own invitational by defeating Mobridge, Hettinger, McLaughlin and Dickinson Trinity.

We have a good future, as only one golfer graduates this year.

Despite the adverse weather conditions which kept us from using our track most of the spring, we had a good year.

Repeating the Moreau Conference title for the third consecutive year and establishing two meet records in the process was great. Pleasing our local spectators with three relay wins (one record breaking) in our runner-up performance in the Lemmon Relays was inspiring. Winning two relays and placing eight athletes into the state meet at Mitchell produced many happy moments. We did, in fact, place in every meet attended, which speaks for the desire of these proud young men to meet with success.

Although the leadership of this relatively small group of athletes came from the upper-classmen at first, it did not take long for the leadership to come from every level. We are going to miss our graduating senior tracksters but have a very willing and able group of underclassmen on their way up; a fine nucleus for next year's squad.

In the words of our squad philosopher, J.C. O'Donnell, who was running second in a relay, "We were in fourth place at the time, but I knew we had the race won." Confidence? - You bet! This whole squad has it.

Coach Bill Erhart
